DURING the war no probate of a will or letters of administration of the estate of any German, Austro-Hungarian, or Turkish subject wherever resident will be granted in respect of any assets in this Province without the express licence of the Crown.

2. In all cases where probate or letters of administration are granted during the war to any person entitled thereto the grant shall be made upon the condition that no portion of the assets shall be distributed or paid during the war to any beneficiary or creditor who is a German, Austro-Hungarian, or Turkish subject wherever resident, or to anyone on his behalf, or to or on behalf of any person resident in Germany, Austro-Hungary, or Turkey, of whatever nationality, without the express sanction of the Crown acting through the Minister of Finance; and if any distribution or payment is made contrary to this condition the grant of probate or letters of administration will be forthwith revoked.

3. Any applicant for probate or letters of administration during the war shall give such information as the Registrars of the Courts may require, in order to ascertain whether any of the assets would in time of peace be distributable or payable to any such subjects, and if required shall make a statutory declaration as to the assets and their disposition in the event of probate or letters of administration being granted.

4. In cases deemed by him proper the Minister of Finance may sanction the payment of moderate sums out of assets to beneficiaries or creditors who are German, Austro-Hungarian, or Turkish subjects resident in this Province at the commencement of the war and during the war.
